

# All Alone

## Fun.

I fell in love with a wind-up souvenir  
I bought it downtown as I was on my way to meet you  
She sounds the like the songs you used to sing to put me to sleep  
Now that you're gone, she's all that I've left to holdAnd I feel so all alone  
No one's gonna fix me when I'm broke  
How do you cry with inanimate eyes?  
You're never gonna smile with the way that you areAnd I feel so all aloneI can't be you  
I thought you might appreciate  
The way that she dances  
The painted look upon her face  
She must have come from the sun  
I want to take her through the park  
Where she'd tell me I'm all that she wants  
If she could even talkI feel so all alone  
No one's gonna fix me when I'm broke  
How do you cry with inanimate eyes?  
You're never gonna smile with the way that you areAnd I feel so all alone  
I feel so all aloneAnd she sits on my shelf  
It makes me think of you  
The way she carries the things that remind me of who  
We used to be before we became antiques  
She's a lot like you  
But when I hold her too tight, I know she'll break  
She just takes some glue to stayAnd I feel so all alone  
No one's gonna fix me when I'm broke  
How do you cry with inanimate eyes?  
You're never gonna smile with the way that you areAnd I feel so all alone  
I feel so all alone  
I feel so all alone
