

The Name of the Game (Edit)

ABBA

I've seen you twice
in a short time
only a week since we started
it seems to me
for every time
I'm getting more openhearted I was an impossible case
no one ever could reach me
but I think
I can see in your face
there's a lot you can teach me so I wanna know
What's the name of the game
does it mean anything to you
what's the name of the game
can you feel it the way I do
Tell me please
'cause I have to know
I'm a bashful child beginning to grow
And you make me talk
and you make me feel
and you make me show
what I'm trying to conceal
if I trust in you
would you let me down
would you laugh at me
If I said I care for you
could you feel the same way too
I wanna know
the name of the game
I have no friends
no one to see
and I am never invited
now I am here
talking to you
no wonder I get excited Your smile
and the sound of your voice
and the way you
see through me got a feeling
you give me no choice
but it means a lot to me

so I wanna know
What's the name of the game
does it mean anything to you
what's the name of the game
can you feel it the way I do
Tell me please
'cause I have to know
I'm a bashful childbeginning to grow
And you make me talk
And you make me feel
And you make me show
What I'm trying to conceal
If I trust in you
Would you let me down
Would you laugh at me
If I said I care for you
Could you feel the same way too
I wanna know
Oh yes I wanna know
The name of the game
I was an impossible case
Does it mean anything to you
But I think I could see in your face
And it means I love
What's the name of the game
Your smile and the sound of your voice
Can you feel it the way I do
Got a feeling you give me no choice
But it means I love
What's the name of the game
I was an impossible case
Does it mean anything to you
But I think I could see in your face
And it means I love
What's the name of the game
Your smile and the sound of your voice
