## **Sunset Jesus**

## **Avicii**

Tryna set myself up for the win
So people got a dream that's so much bigger than the diamond ring
So gimme love gimme love gimme please give me piece of mind
I know there's enough to a star than I need a little help with mine

California, don't let me down

Seas of golden

But there's trouble all around

Sunset Jesus, came to me

He once was a waiter now he's a singer

Making money on the streetMy dreams are made of gold My heart's been broken and I'm not alone in the road (but I know)

My dreams are fading 'til I get old

Breathe for a minute breathe for a minute

I'll be okayStaring at a billboard from the bus

Looking at the faces thinking that could be anyone of us

So gimme hope gimme hope on this lonely ride

'Cause I know one day I will be the one in disguise

California, don't let me down

Seas of golden

But there's trouble all around

Sunset Jesus, who came to me

He once was a waiter now he's a singer

Making money on the streetMy dreams are made of gold My heart's been broken and I'm not alone in the road (but I know)

I'm in here fading till I get old

Breathe for a minute

Breathe for a minuteSunset Jesus

My dreams are made of gold

My heart's been broken and I'm down alone the road (but I know)

My dreams keep fading 'til I get old

Breathe for a minute breathe for a minute

I'll be okay

My dreams are made of gold

My dreams are made of gold

My heart's been broken and I'm down alone the road (but I know)

My dreams keep fading 'til I get old

Breathe for a minute breathe for a minute

I'll be okay
