Make It Now

Mudhoney

Make a hole
Make it wide
Make a hole
Make it wideMake it now
Make it now
Make it now
Make it nowI'm so far from here
I'm so far from here
I'm so far from here
I'm so far from here right nowMake me whole
Make me right
Make me whole
Make me rightMake it now
Make it now
Make it now
Make it nowBehind these walls
Locked up tight
No more darkness
No room for lightSpeak to meI'm so far from here
I'm so far from here
I'm so far from here
I'm so far from here right now
