Make It Now

Mudhoney

Make a hole

Make it wide

Make a hole

Make it wideMake it now

Make it now

Make it now

Make it nowI'm so far from here

I'm so far from here

I'm so far from here

I'm so far from here right nowMake me whole

Make me right

Make me whole

Make me rightMake it now

Make it now

Make it now

Make it nowBehind these walls

Locked up tight

No more darkness

No room for lightSpeak to meI'm so far from here

I'm so far from here

I'm so far from here

I'm so far from here right now
