Wrapped Up In You

A Nice Vibe

How do I love you, well, let me see
I love you like a lyric loves a melody
Baby, completely wrapped up in youHow do I need you, well, can't you tell?
I need you like a penny needs a wishing well
Baby, completely wrapped up in youEvery now and then
When the world that we're living in's crazy
You gladly hold me and carry me throughNo one in the world's ever done what you do for me
And I'd be sad and lonely
If there were no youHow do I love you, well, count the ways
There ain't no number high enough to end this phrase
Baby, completely wrapped up in youBaa baa ba ba ba ba baa baa baa
Ba ba ba baa ba
Baa baa ba ba ba ba baa baa baa
Ba ba ba baa baEvery now and then
When the world that we're living in's crazy
You gladly hold me and carry me throughNo one in the world's ever done what you do for me
And I'd be sad and lonely
If there were no youHow do I love you, well, don't you know?
I love you 'bout as deep as any love can grow
Baby, completely wrapped up in you
Baby, completely wrapped up in you
