

# Please Send Me Someone to Love

## Thelma Houston

Heaven please send to all mankind  
Understanding and peace of mind  
But, if it's not asking too much  
Please send me someone to love

Someone to love Show all the world how to get along  
Peace will enter when hate is gone  
But, if it's not asking too much  
Please send me someone to love

Please send me someone to love I lay awake night and ponder world troubles  
My answer is always the same

That unless men put an end to all of this

Hate will put the world in a flame,Â what a shame Just because I'm in misery  
I'm not begging for no sympathy  
But if it's not asking too much  
Just send me someone to love

Just send me someone to love Heaven please send to all mankind  
Understanding and peace of mind  
But if it's not asking too much  
Please send me someone to love  
Please send me someone to love
