

# No More Blues

[Sophie Milman](#)

No more blues  
I'm going back home  
No, no more blues  
I promise no more to roam  
Home is where the heart is  
The funny part is, my heart's been  
Right here all alone  
No more tears, and no more sighs  
No, no more fears-  
I'll say no more goodbye  
If travel beckons me, I swear I'm gonna refuse  
I'm gonna settle down, and there'll be no more blues  
Everyday while I am far away  
My thoughts turn homeward, forever homeward  
I've traveled round the world in search of happiness  
But all the happiness I've found  
Is in my hometown  
No more blues  
I'm going back home  
No, no more blues  
I'm through with all my wandering now  
I'll settle down and never roam  
And find a man and build a home  
When we settle down, there'll be no more blues  
Nothing but happiness  
When we settle down, there'll be no more blues
