

I Love Every Little Thing About You

Syreeta

Though they say you're not my friend
You've been here through thick and thin
And for that little girl I love ya
And all I want to do is talk about ya I'm here to say
I love you more each day
And I just want to tell the world
That I love you so Though they put me down because
I love you as much as I do
But they don't know what you've done for me
You've made such a happy man out of me And I'm here to say
Love you everyday, yeah
And I just want to tell the world
That I love you so Baby, I love, I love, I love
I love every little thing about you, baby
I love, I love, I love
I love every little thing about you, baby Though they say that I am wrong
'Cause my love is strong
There's only one that I place above you
It's God, that I place above you Girl, I just want to say
Love you more each day, yeah
I just want to tell the world
That I love you so, yeah Some folks say that it's strange
But my whole life you have changed
You've saved all the pain
The world's put on me All I want to do is talk about you
And I'm here to say
Love you everyday, yeah yeah
Telling everybody that I love you so, yeah yeah I love, I love, I love
I love every little thing about you, baby
I love, I love, I love
I love every little thing about you, baby I love, I love, I love
I love every little thing about you, baby
I love, I love, I love
I love every little thing about you, baby I love, I love, I love
I love every little thing about you, baby
I love, I love, I love
I love every little thing about you, baby
Sugar, cookie, puddin'
Candy, an' big ol' piece of cake
