

Blackout

Mashonda

(Nas)

You know we act out
When the club packed out,
You lickin them sexy lips
And I'ma blow that back out,
This is Nas in your area
I'm about to tear it up,
Back in the hood
Just thought I should clear it up
But hey sexy, hey honey,
You gettin blinded by alla this money
Ay, is it you right there?
Is it you, is it you, is it you over there?(Mashonda)
I like them boys from the streets say,
Wouldn't have it no other way see,
I like em hood wid a swagger that's mean he,
Know what to do when it comes to me,
They ride,
Big toy, big hair, big shoes, to keep it ????
I like them boys that know what it is,
Come wid it,
Knows what a girl likes to feel I wanna boy that can make me
[Blackout, blackout]
So good it makes me
[Blackout, blackout]
Every time, at least three
[Blackout, blackout]
Never will he tease
[Blackout, blackout]
I want a cocky street nigga from my hood,
knows what it is when I say treat me good I wanna boy that can make me
[Blackout, blackout]
So good it makes me
[Blackout, blackout]
Every time, at least three
[Blackout, blackout]
Never will he tease
[Blackout, blackout]
I want a cocky street nigga from my hood,

knows what it is when I say treat me goodHe don't,
Back down to beef in the streets and,
He don't,
Ever disrespect me,
When they ask just how did he get me,
I respond, somethin that keeps me,
Big toy, big hair, big shoes, to keep it ???
I got a boy that knows what it is,
Come wid it,
Knows what a girl likes to feelI wanna boy that can make me
[Blackout, blackout]
So good it makes me
[Blackout, blackout]
Every time, at least three
[Blackout, blackout]
Never will he tease
[Blackout, blackout]
I want a cocky street nigga from my hood,
knows what it is when I say treat me goodI wanna boy that can make me
[Blackout, blackout]
So good it makes me
[Blackout, blackout]
Every time, at least three
[Blackout, blackout]
Never will he tease
[Blackout, blackout]
I want a cocky street nigga from my hood,
knows what it is when I say treat me good(Nas' rap)(Mashonda)
Tell me, tell me,
Can you keep it up,
Til I, til I,
Get enough,
I want a cocky street nigga from my hood,
Knows what it is when I say treat me goodTell me, tell me,
Can you keep it up,
Til I, til I,
Get enough,
I want a cocky street nigga from my hood,
Knows what it is when I say treat me goodI wanna boy that can make me
[Blackout, blackout]
So good it makes me
[Blackout, blackout]
Every time, at least three
[Blackout, blackout]
Never will he tease

[Blackout, blackout]
I want a cocky street nigga from my hood,
knows what it is when I say treat me good I wanna boy that can make me
[Blackout, blackout]
So good it makes me
[Blackout, blackout]
Every time, at least three
[Blackout, blackout]
Never will he tease
[Blackout, blackout]
I want a cocky street nigga from my hood,
knows what it is when I say treat me good
