

# I Just Fall In Love Again

Angeline Quinto

Dreamin',  
I must be dreamin'  
Or am I really lying here with youBaby, you take me in your arms  
And though I'm wide awake  
I know my dream is coming trueAnd oh,  
I just fall in love again  
Just one touch and then  
It happens every time  
There I go by,  
Just fall in love again  
And when I do,  
I can't help myself  
I fall in love with you  
Magic,  
It must be magic,  
The way I hold you when  
The night just seems to flyEasy for you to take me to a star  
Heaven is that moment when  
I look into your eyesAnd oh,  
I just fall in love again  
Just one touch and then  
It happens every time  
There I go by,  
Just fall in love again  
And when I do,  
I can't help myself  
I fall in love with youOooohhhh.  
Oh,  
I just fall in love again  
Just one touch and then  
It happens every time  
There I go by,  
Just fall in love again  
And when I do,  
I can't help myself  
I fall in love with youI can't help myself  
I fall in love with you
