Hero

Ozzy Osbourne

I don't wanna be your hero, I don't wanna ever let you down
No I don't wanna let you down
I can try to take you higher but I don't wanna wear your broken crown
You know it brings me downDon't think you'll ever understand me
I don't even understand me
Don't have the power to anoint you
And I don't wanna disappoint the fools no more
The fools no moreI couldn't answer all your questions and if you're lost
I couldn't find your way, I couldn't find your way
You know you'll have to face the music
You change your tune, you don't know what to play so don't you run awayEverybody's talking crazy
Some think I am a devil maybe
I don't wanna hear about it
Don't wanna have to scream and shout at fools no more
The fools no moreSo I don't want to be your hero, don't want to sit upon your crippled throne
I've got a life of my own
I am not your destination or a road that's gonna lead you home
So baby please don't goPlease don't go
Please don't go
Please don't go
