

# Ultraviolet

**FKA twigs**

Don't worry this face  
Hold my hand in error  
Don't tell of this place  
It's for me and you only  
Softly , softly know me  
Don't worry this face  
Hold my hand in error  
Don't tell of this place  
It's for me and you only  
You give me love, you know you give me love  
With your ultraviolet rays  
You give me love  
You give me love  
Ultraviolet
