

# Lowdown

## My Morning Jacket

Lowdown, cheatin', ain't no need for repeatin'  
So love, dawn, can't you see?  
That you never gotta fight with me No you never gotta fight with me Hurtin', beatin' ain't no need for repeatin'  
So love dawn can't you see  
That you never gotta bleed for me Chancing, glancing, so enough mood for romancing  
So love dawn can't you see  
That you only gotta dance with me
