

Raise Your Glass

Glee Cast

Right right, turn off the lights
We gonna lose our minds tonight
What's the dealio? I love when it's all too much
Five AM turn the radio up
Where's the rock and roll? Party crasher, penny snatcher
Call me up if you are gangsta
Don't be fancy
Just get dancey
Why so serious?
So raise your glass if you are wrong
In all the right ways
All my underdogs, we will never be, never be
Anything but loud
And nitty gritty dirty little freaks
Won't you come on, and come on, and
Raise your glass
Just come on and come and
Raise your glass! Slam slam oh hot damn
What part of party don't you understand?
Wish you'd just freak out
Can't stop coming in hot
I should be locked up right on the spot
It's so on right now Party crasher, panty snatcher
Call me up if you are gangsta'
Don't be fancy
Just get dancey
Why so serious? So raise your glass if you are wrong
In all the right ways
All my underdogs, we will never be, never be
Anything but loud
And nitty gritty dirty little freaks Won't you come on, and come on, and
Raise your glass
Just come on and come and
Raise your glass!
Won't you come on and come on and
Raise your glass!
Just come on and come and
Raise your glass! Ah my glass is empty
That sucks! So if you're too school for cool

And you're treated like a fool
You could choose to let it go
We can always, we can always
Party on our own So raise your
So raise your glass if you are wrong
In all the right ways
All my underdogs, we will never be, never be
Anything but loud
And nitty gritty dirty little freaks
So raise your glass if you are wrong
In all the right ways
All my underdogs, we will never be never be!
Anything but loud
And nitty gritty dirty little freaks Won't you come on! and come on! and
Raise your glass
Just come on and come and
Raise your glass
Won't you come on! and come on! and
Raise your glass
For me
Just come on and come and
Raise your glass, for me
