

# The Sound Of Milwaukee

## Fatboy Slim

Watch that  
But it is hip though the way people dance now  
Ya know, you can just  
It's called doin' whatever you want to do  
Just get up, the weed get to ya, just get up an just  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
Throw your arms in the air  
[Incomprehensible]
