We'll Be Alright

Insane Clown Posse

No luck, got stuck
They comin' to reap on my truck
Big bills, shit kills
No pills and I'm out of refills
She dissed, I missed
I'm having problems dodging these fists
They chasing me, they wanna lock me up
I'm surrounded by thugs who wanna sock me upI can't stand it, I'm stranded
I can't find a home on this planet
I fuck theater, I can't get up
My own ladies tearing my shit up
I missed quota, I turned shoulders
They all lockin' me out, it's gettin' colder
But I'm okay, I just move on
I can weather any storm, I know in the long runWe'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thang)We'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thangMad pills, drink spills
Black out at night, my hands kill
Wake naked, can't take it
Yo, wrap me up in that blanket
No bail, I fell
I'm on the right track, derailed
House stales, I'm in the county orange
And my kids' life's been tornWelfare, no health care
Every motherfucker out for they self here
Weird thoughts, life's tough
But I'm a hustler and know how to bluff
No cash, no past
I got dogs bounty huntin' my ass
But it's okay, I just move on
I can weather any storm 'cause in the long runWe'll be alright
We'll be alright
It ain't no thang

Shit ain't no thang
(Shit ain't no thang)We'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thang)Wrong turn, got burned
And the mother fuckers still ain't learned
Denied, no reply
But I been known to retry
They hate me, I'm scary
They waiting at the cemetery
Grim reaper creeping on me hound doggin'
I got a chemical splashin' my noggin'I get lonesome, and then bones come
They got warrants in effect and I'm on some
I ain't healthy, can't help me
I ain't wealthy, look wat they dealt me
Straight straggler, brown bagger
Juggalo gang bang can't tag her
And it's okay, I just move on
I'll survive it all 'cause I know in the long runWe'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thang)We'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thang)We'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thang)We'll be alright
We'll be alright
It ain't no thang
Shit ain't no thang
(Shit ain't no thang)
