

# In His Will There Is A Way

## Harper Family

Sometimes i sit around and wonder how  
The Lord is ever gonna figure out  
how to get me through the problems that i face  
He never gives us more than we care bear  
I cast upon Him my every care  
And without a doubt i know He'll make a way

In His will there is a way  
If we trust Him and obey  
There's not a wall that cannot crumble to the ground  
We don't have to sit there hopin  
When we knock the door will open  
In His perfect will i know there is a way

When problems seem to get the best of me  
And things go wrong as far as i can see  
I just kneel my knees somewhere and start to pray  
I know that i am His and He is mine  
And when i seek i know I'll always find  
And He'll answer when i call upon His name
