

# Love Me Like a Man

[Diana Krall](#)

The men that I've been seeing baby  
They got their soul upon a shelf  
You know they could never love me  
When they can't even love themselves And I need someone to love me  
Someone who really understands  
Who won't put themselves above me  
Who'd just love me like a man I'd never seen such losers darling  
And even though I tried to find a man  
Who could take me home  
Instead of taking me for a ride And I need someone to love me  
Darling I know you can't  
Don't you put yourself above me  
You just love me like a man They all want me to rock them  
Like my back ain't got no bone  
I want a man to rock me  
Like my backbone was his own Darling I know you can  
Believe me when I tell you  
You can love me like a man Came home sad and lonely  
I feel like I wanna cry  
Want a man to hold me  
Not some fool who'd ask me why? And I need someone to love me  
Baby you can't  
Don't you put yourself above me  
Just love me like a man
