Clash City Rockers

Saves The Day

And I wanna move the town to the clash city rockers
Need a little jump of electrical shockers
Better leave the town if you only wanna knock us
Nothing stands the pressure of the clash city rockers
See the rate at they come down the escalator
Listen to the tube train accelerator
Then you realize that you got to have a purpose
This place is gonna knock you out sooner or later
So don't complain about your useless employment
Jack it in forever tonight
So shut your mouth and pretend you enjoy it
Think of all the money you've got
And I wanna liquefy everybody gone dry
Plug into the aerials, poke up in the sky
Burn down the suburbs through the half-closed eyes
You wont succeed unless you try
So don't complain about your useless employment
Jack it in forever tonight
So shut your mouth and pretend you enjoy it
Think of all the money you've got
You owe me a move say the bells of St. Groove
Come on and show me say the bells of Old Bowie
When I am fitter say the bells of Gary Glitter
No one but you and I say the bells of Prince Far-I
No one but you and I say the bells of Prince Far-I
Rock, rock clash city rockers
Rock, rock clash city rockers
Rock, rock clash city rockers
Rock, rock clash city rockers
Rock, rock clash city rockers
