

# Maybe Not

## Cat Power

Theres a dream that I see, I pray it can be  
Look cross the land, shake this land, a wish or a command  
I Dream that I see, dont kill it, its free  
Youre just a man, you get what you canWe all do what we can  
So we can do just one more thing  
We can all be free  
Maybe not in words  
Maybe not with a look  
But with your mindListen to me, dont walk that street  
Theres always an end to it  
Come and be free, you know who I am  
Were just living peopleWe wont have a thing  
So wed got nothing to lose  
We can all be free  
Maybe not with words  
Maybe not with a look  
But with your mindYouve got to choose a wish or command  
At the turn of the tide, is withering thee  
Remember one thing, the dream you can see  
Pray to be, shake this landWe all do what we can  
So we can do just one more thing  
We wont have a thing  
So weve got nothing to lose  
We can all be free  
Maybe not with words  
Maybe with a look  
But with your mind  
But with your mind
