Damage

© Landsheet Land (BMI)I wasn't ready
I gave myself to you
Look at the damage
See what you put me through
I don't want to do what you want me to anymore
I won't feel better 'til I'm walking out of that doorOnce you could stop me
Now I can say you won't
I will be going
I'm just afraid I don't
Know how I'm gonna get away from you
And I know I'm never gonna stay with you
Don't want to ever spend another day with you
Look at the damage you've done
Two can turn back into oneYou hurt me so much
You'll never do that again
It's time to leave you
This has to come to an end
But I don't know how I'm gonna get away from you
And I know I'm never gonna stay with you
Don't think there's any other way to say to you
Look at the damage you've done
Look at the damage
Look at the damage
Look at the damage you've done
Two can turn back into one
Woah oh
Woah oh
Oh I know
Yes I know
Talking to you
