

Sleep, Baby, Sleep

Ron Hamilton

Sleep, Baby, Sleep

Little baby go to sleep.
Close your eyes and don't you cry.
Gently rest your tiny head.
Listen to this simple lullaby.

Never fear the shadows dim.
Soon will come the morning light.
Christ is watching over you.
He was once a baby too.
He will keep you through the night.

Sleep, baby, sleep.
Close your eyes and sleep.

God, the Father sent His Son.
To a manger long ago.
He was just a little babe
and His gentle mother loved Him so.

And one day He gave His life from the cross at Calvary.
In the grave He did not stay
He arose on Easter day.
Now He lives for you and me.

Sleep, baby, sleep.
Close your eyes and sleep.
Sleep.
Sleep.
Close your eyes and sleep.
