## **Hold Me Together**

## **Royal Tailor**

~Verse 1~

Hello Mercy, I have been searching for You lately I've been wounded and from what I hear You have the remedyThey told me You would be for me So now I need to know Is this a love that could save me Or say You will then don't? Will you stay with me when nobody is around? If this is real, then tell me now\*Chorus\* Can You hold me together? Can Your love reach down this far? Can You hold me together? 'Cause without You holding my heart I'm fallin' apart Fallin' apart~Verse 2~ Sayin' so long Been lost, been gone Not sure what to pray It's not easy, but I know You see me When I lose my wayI keep on floating Not knowing if there is more for me Don't want to sink beneath waves of negativity I'm goin' under, I'm afraid that I might drown If this is real, I need You now\*Chorus\* Can You hold me together? Can Your love reach down this far? Can You hold me together? 'Cause without You holding my heart I'm fallin' apart YeahFallin' apart Hold me Lord~\*Bridge\*~ I'm feelin' stronger With You by my side And I realize You are my hope And I need to know, yeah\*Chorus\* Can You hold me together?

> Can Your love reach down this far? Can You hold me together?

'Cause without You holding my heart
I'm fallin' apart
Fallin' apart
YeahOoh
Hold me togetherWithout you, I'm fallin' apart
Fallin' apart
