Let It Shine on Me

Nanci Griffith

There's a star in Heaven's sky
Always shining bright
It's just a tear in an Angel's eye
A gentle guiding lightLet it shine on me
Let it show the way
Let it always be
Let it always stayLet it flood my soul
Let it hold the key
Let it all unfold
Let it shine on meWhen the way seems so dark
Let it shine on me
Bringing home within my heart
A reason to believeLet it shine on me
Let it show the way
Let it always be
Let it always stayLet it flood my soul
Let it hold the key
Let it all unfold
Let it shine on meLet it shine on me
Let it show the way
Let it always be
Let it always stayLet it flood my soul
Let it hold the key
Let it all unfold
Let it shine on me
