# Be My Girlfriend

## Us5

Say you'll be my girlfriend
'cause you know you'll never ever find a better man
Mi amore you're what i want
Just be my girlfriend
It's just you not any other ain't no better lover
Come on baby be my girlfriend
See you walking there
You play your game so smoove
When you came through the door
My heart fell to the floor
So tell me what to do
So I can get with you
Talk to me my lady friend
Girl your love is heaven sent
Say you'll be my girlfriend
'cause you know you'll never ever find a better man
Mi amore you're what i want
Just be my girlfriend
It's just you not any other ain't no better lover
Come on baby be my girlfriend
Get ready for Part 2
Of getting down with you
You got me on a string
To me you're everything
You turn my world around
You lift me up and down
Girl I need you by my side

Let us two be unified
Say you'll be my girlfriend
'cause you know you'll never ever find a better man
Mi amore you're what i want
Just be my girlfriend
It's just you not any other ain't no better lover
Come on baby be my girlfriend
Ah, be my girl, my girl girlfriend
Uh ah, be my girl my girl girlfriend
Uh
Yeah mi amore

I see you walking there
You play your game so smoove
I just want you to be my girl
Do you hear me
I want you to be my girlfriend
Say you'll be my girlfriend
Cause you know you'll never ever find a better man
Mi amore you're what i want
Just be my girlfriend
It's just you not any other ain't no better lover
Come on baby be my girlfriend x2
Ah, be my girl, my girl girlfriend
Uh ah, be my girl my girl girlfriend
Uh
