

The Coolest Girl (Live @ Yale Glee Club Benefit)

Darren Criss

All my dreams
I'm chasing after,
They don't need
all this laughter...I take a grain of salt,
stiff upper lip.
It's not their fault
I'm not as hip.
Wake up kid, you know you're more than this...I'm the smartest person
that I've ever met.
So why do I allow myself to
possibly forget There's so much I know how to do,
so much more than all of you.
The only thing I wish I knew
was how to make them see
the girl that I can be....I am
the coolest girl in the whole wide world
I know it
but can't show it at all.I am
sick and tired
of low, not higher
places, where I should belong.
Well, it's about time I proved them wrong...So give me a shot
to show what I've got!
I'm a helluva whole lot more than this frizzy hair,
these frumpy clothes I wear,
though I rock 'em like nobody you've seen before 'Cause I am
the coolest girl in the whole wide world
I know it
below it all.I am
done with losin',
on with choosin' The coolest girl on the face of the planet,
The coolest b*tch on earth, goddammit!
The coolest chick you've ever seen or heard!
So you can try to bring me down,
but sorry guys, I'm stickin' around!
I've thought about it, and I've found That I am
The coolest girl!
... Yeah!
