

# What a Day

Gemma Hayes

Five hours from now  
You'll be sleeping  
I'll be lying awake wondering  
Did we make the right decision?What a day?  
What a day we had?  
What a day?  
What a day we had?Brian and I decided  
This year, we'll make ourselves believe in everything  
I don't know about you  
But I've had enough of trying to live through doubt andWhat a day?  
What a day we had?  
What a day?  
What a day we had?What a day?  
What a day we had?  
What a way to go?What a day?  
What a day we had?  
What a day?  
What a day we had?What a day?  
What a day we had?  
What a way to go?  
What a way to go?
