Made To Love (Max Vertigo & S

John Legend

Have a seat here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to loveOh I never seen anything
It much more then you and me
Extraordinary see
Oh I never loved
I never loved
Never loved someone like thisHave a seat here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to loveHigh! High! High!
Made for love
We were made to loveHave a seat here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to loveOh have you ever know
When you lay you eyes on
You're a perfect work of art
I knew right from the start
Ow I was never sure
Of a God before
But I know he must exist
He created thisHave a seat here for you
We were made to love
We were made to love
You was in for me too
We were made to love
We were made to loveHigh! High! High!
Made for love
We were made to loveHave a seat here for you
We were made to love
We were made to love

You was in for me too
We were made to love
We were made to loveHave a seat here for you
You was in for me too
High! High! High!
Have a seat here for you
You was in for me too
