

I'm Just a Singer (In a Rock & Roll Band)

The Moody Blues

I'm just a wandering on the face of this earth
Meeting so many people who are trying to be free
And while I'm traveling I hear so many words
Language barriers broken, now we've found the key

If you want this world of yours to turn about you
You can see exactly what to do, don't tell me

I'm just a singer in a rock and roll band

A thousand pictures can be drawn from one word
Only who is the artist, we got to agree
A thousand miles can lead so many ways
Just to know who is driving, what a help it would be

So if you want this world of yours to turn about you
And you can see exactly what to do, don't tell me

I'm just a singer in a rock and roll band

How can we understand
Riots by the people for the people
Who are only destroying themselves
And when you see a frightened
Person who is frightened by the
People who are scorching this earth, scorching this earth

I'm just a wandering on the face of this earth
Meeting so many people, who are trying to be free
While I'm traveling I hear so many words
Language barriers broken, now we've found the key

If you want this world of yours to turn about you
You can see exactly what to do, don't tell me

I'm just a singer in a rock and roll band

I'm just a singer in a rock and roll band

How can we understand

Riots by the people for the people
Who are only destroying themselves
When you see a frightened
Person who is frightened by the
People who are scorching this earth, scor-scorching this earth

Music is the traveler crossing our world
Meeting so many people, we're bridging the seas

I'm just a singer in a rock and roll band
I'm just a singer in a rock and roll band
I'm just a singer in a rock and roll band
We're just the singers in a rock and roll band
