I've been thinking a lot since the end of our family affair
And the things that went wrong, in a matter of speaking
Should have been more forthcoming about the things I needed to say
But you've seen to be talking to someone elseNow you've got me feeling so sorry
For something I didn't do
You've got me crawlin around a gutter
When I should have been busy making love to youSo it's all smoothed over
You covered your ears real tight
Is it up to me to be telling
The black from the whiteTalkin to you is bittersweet
Now Talkin to you is bittersweet
Now Talkin to you is bittersweet
Bittersweet bittersweet

Talking to you is bittersweet
Bittersweet bittersweetBeen now talkin to you
Bittersweet bittersweetC'mon talk talk talk talk
To me yeah
To me yeah
(Repeat)So what matters most in the end is beyond our big (blue reeds)???
Had to unfold all the mysteries
It take a different kind of species
I'm unable to handle the weight
Of all of your doubts
What a (new words)???Now you've got me feeling so stupid
When I couldn't understand
You've got me reeling around in circles
Incomprehensible demandBeen talkin to you
Bittersweet bittersweet
Been talkin to you
Bittersweet bittersweet
Bittersweet bittersweet
Bittersweet bittersweetC'mon talk talk talk talk
To me yeah
To me yeah
(Repeat)C'mon talk talk talk talk
Bittersweet bittersweet
(Repeat)C'mon talk talk talk talk
To me yeah
To me me me me me yeah
