If It Feels Good Do It

Sloan

(P. Pentland/Sloan)I can't invest my time
I've tried it all and I'm tired of trying
You think you've got it all figured out
And everything you think it's about
When you found yourself finally released
You hit the ground and kept running east
And now it's all catching up to you
As these things usually doSaw it all and I can't deny
It's a hard life living a lieIf it feels good do it even if you shouldn't
Dont let people mess you around
Feels good do it even if you shouldnt
Nobody can mess you aroundYou're running away
Things would have been different
If you decided to stay
You can't wear your heart on your sleeve
If you're just going to leave
I can't invest my time
I've tried it all and I'm tired of trying
Saw it all and I can't deny
It's a hard life living a lie
