Falling

Laurie Anderson

Maybe if I fall. Maybe if I fall asleep.
There'll be a party there.
Maybe if I fall. Maybe if I fall.Americans unrooted blow with the wind
But they feel the truth if it touches them.Maybe if I fall. Maybe if I fall asleep.
There'll be a party there.
Maybe if I fall. Maybe if I fall.Americans unrooted blow with the wind
But they feel the truth if it touches them.
Maybe if I fall. Maybe if I fall asleep.
If I fall.
