

# You Got the Wrong Man

**Tim McGraw**

Your eyes say that you've been hurt before  
And you can't take the heartache anymore  
You think I'll do what he's done to you  
Break your trust and be untrue  
But baby, this is me you're talking to You got the wrong man, it's not me  
A case of mistaken identity  
I didn't break your heart, you see  
What can I do to make you understand?  
You got the wrong man I know you think that love will never last  
And you see your future like the past  
You don't wanna make the same mistake  
You think that I'm one more to make  
But baby, I'm not him for goodness sake You got the wrong man, it's not me  
A case of mistaken identity  
I didn't break your heart, you see  
What can I do to make you understand?  
You got the wrong man You think I'll do what he's done to you  
Break your trust and be untrue  
But baby, this is me you're talking to You got the wrong man, it's not me  
A case of mistaken identity  
I didn't break your heart, you see  
What can I do to make you understand?  
You got the wrong man It's not me, no  
You got the wrong man
