

Under the Rose

Kiss

Though you may be pure of heart and free of sin
And though you have been chosen to begin
And yet you must be worthy of the prophecy
But seek and you shall find your destinyLoneliness will haunt you
Will you sacrifice?
Do you take the oath
Will you give your life
Under the rose?The more you hurt the less you feel the pain
And the more you change the more you stay the same
But now before you lies the quest at hand
And from this boy you may become a manThough you understand
Will you sacrifice?
Do you take the oath
Will you give your life
Under the rose?
