The weight
I'm under
I scarce can move
Alone surrounded
consumed by you
I need you to help me
Need you to help me breathe
Whoa oh oh oh
I need you to help me breathe
Whoa oh oh oh
whoa oh oh
Take me in
(repeat)
The weight
I'm under
I scarce can move
Alone surrounded
consumed by you

I need you to help me
Need you to help me breathe
Whoa oh oh oh
I need you to help me breathe
Whoa oh oh oh
whoa oh oh
Take me in
(repeat)
Hold me a little bit closer
A little while longer
In your arms
Take me a little bit deeper
You are life to my soul
Whoa whoa oh oh
Whoa oh oh
Take me in
