Never Shout Never

If timing's everything
Stop telling me you're taking your time
I know you're anxious
But you're running your mouth
Like your five years old again
It's so hard to pretend Like I know everything
I don't know anything
I wanted you to see I'll sit back and I'll watch the show
Yeah, I'll watch the show
And I'll lay awake and I'll watch the stars
As they collide Yeah, my eyes, they don't see
And I don't breathe the way I used to
Yeah, my lips, whoa, they don't sing
And I won't be the way I was on that night Steady breathing is all I can advise
To a girl with a sweet tooth for revenge
I know I'm crazy but it's so hard to pretend Like I know everything
I don't know anything
I wanted you to see I'll sit back and I'll watch the show
Yeah, I'll watch the show
And I'll lay awake and I'll watch the stars
As they collide Yeah, my eyes, they don't see
And I don't breathe the way I used to
Yeah, my lips, whoa, they don't sing
And I won't be the way I was on that night It's the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar
I knew you were a liar from the start It's the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar
I knew you were a liar from the start Don't treat me like I'm playing a game
'Cause baby, I don't want to lose
Baby, I don't want to risk it all for you And my eyes they do see
And I don't breathe the way I used to
Yeah, my lips, they don't sing
And I won't be the way I was on that night
