

# Don't Do That to Me

## Freddie & The Dreamers

Don't do that to me  
Don't pretend I'm the only one  
After all that I've said and done for you

Don't do that to me  
It ain't right that you be this way  
Hear me now, listen what I say to you

Everybody knows you'll break my heart  
If you go with him  
I don't ever want to see us part  
It would be a sin

Don't do that to me  
When you know I'm in love with you  
Don't you know that you'll only make me blue?  
Don't do that to me. Don't be untrue

Everybody knows you'll break my heart  
If you go with him  
I don't ever want to see us part  
It would be a sin

Don't do that to me  
When you know I'm in love with you  
Don't you know that you'll only make me blue?  
Don't do that to me, don't be untrue.  
Don't do that to me, don't be untrue
