

# Fascination

## Alphabeat

Easy living killed the young dudes  
In the high boots  
Teenage in the pace age  
That's when love burns  
And now it's your turn Fascination, fascination  
It's just the way we feel  
Fascination, fascination  
It's just the way we feel, yeah We love this exaltation, woah oh, woah oh  
We want the new temptations, woah oh, woah oh  
It's like a revelation, woah oh, woah oh  
We live on fascination Passion is our passion  
In the moonlight on a joyride  
Easy living killed the young dudes  
In the high boots, oh yeah Fascination, fascination  
It's just the way we feel  
Come on We love this exaltation, woah oh, woah oh  
We want the new temptations, woah oh, woah oh  
It's like a revelation, woah oh, woah oh  
We live on fascination The word is on your lips, say the word  
The word is on your lips, say the word  
The word is on your lips, say the word  
The word is on your lips, say the word The word is on your lips, say the word  
The word is on your lips, say the word  
The word is on your lips, say the word  
The word is on your lips, say the word  
The word is on your lips, say the word  
The word is on your lips, say the word  
Fascination We love this exaltation, woah oh, woah oh  
We want the new temptations, woah oh, woah oh  
It's like a revelation, woah oh, woah oh  
We live on fascination Say the word now  
(Fascination)  
Say the word  
Come on say the word now  
(Fascination)  
Come on
