

# Miss You Like Crazy

Christina Milian

I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
'Cause I'm missing you like crazy  
I miss you like the sun misses the days  
I need you like the desert that needs the rain  
And baby it's drivin' me insane  
'Cause I'm missing you like crazy  
I'm missing you like crazy Sitting here, thinkin' 'bout  
How much you, you mean to me  
You're my love, my baby, you're my friend, my honey  
All what we got can't be replaced  
I see no one takin' your space  
Anywhere you take me, I'll follow 'Cause every time I gotta go  
I look into your eyes and then I know  
You'll be waiting for me, oh  
And no matter how long that may be  
I know that you are always there for me  
Oh baby, I can't wait until I have you here I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
'Cause I'm missing you like crazy  
I miss you like the sun misses the days  
I need you like the desert that needs the rain  
And baby it's drivin' me insane  
'Cause I'm missing you like crazy  
I'm missing you like crazy Sometimes at night I get it bad  
I think about the times we share  
So I rush to call you hoping you miss me too  
The special way you say my name  
You soothe my heart, make it okay  
You're not here so I hold my pillow 'Cause every time I gotta go  
I look into your eyes and then I know  
You'll be waiting for me, oh  
And no matter how long that may be  
I know that you are always there for me  
Oh baby, said, "I can't wait until I have you here" I miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts

'Cause I'm missing you like crazy  
I miss you like the sun misses the days  
I need you like the desert that needs the rain  
And baby it's drivin' me insane  
'Cause I'm missing you like crazy  
I'm missing you like crazyBaby, I'm missing you like crazy  
And I'm hopin' that you miss me too  
I want to hold you  
I miss you like crazyI miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
'Cause I'm missing you like crazy  
I miss you like the sun misses the days  
I need you like the desert that needs the rain  
And baby it's drivin' me insane  
'Cause I'm missing you like crazy  
I'm missing you like crazyI miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
'Cause I'm missing you like crazy  
I miss you like the sun misses the days  
I need you like the desert that needs the rain  
And baby it's drivin' me insane  
'Cause I'm missing you like crazy  
I'm missing you like crazyI miss you like the sky misses the birds  
I miss you like a song without the words  
And everyday away from you it hurts  
'Cause I'm missing you like crazy  
I miss you like the sun misses the days  
I need you like the desert that needs the rain  
And baby it's drivin' me insane  
'Cause I'm missing you like crazy  
I'm missing you like crazy
