

Crusader (Recorded Live in Wacken, 2004)

Saxon

Crusader, Crusader, please take me with you
The battle lies far to the East
Crusader, Crusader, don't leave me alone
I want to ride out on your QuestI'm waiting, I'm waiting, to stand by your side
To fight with you over the sea
The're calling, they're calling, I have to be there
The Holy Land has to be freeFight the good fight
Believe what is right
Crusader, Lord of the Realm
Fight the good fight
With all your might
Crusader, Lord of the RealmWe're marching, we're marching to a land far from home
No-one can say who'll return
For Christendom's sake, we'll take our revenge
On the pagan from out of the EastWe Christians are coming, with swords held on high
United by Faith and the cause
The Saracen heathen will soon taste our steel
Our standards will rise 'cross the landFight the good fight
Believe what is right
Crusader, Lord of the Realm
Fight the good fight
With all your might
Crusader, Lord of the RealmTo battle, to battle, the Saracen hordes
We follow the warrior king
Onward, ride onward, into the fight
We carry the sign of the crossWarlords of England, Knights of the Realm
Spilling their blood in the sand
Crusader, Crusader, the legend is born
The future will honour your deedsWarlords of England, Knights of the Realm
Spilling their blood in the sand
Crusader, Crusader, the legend is born
The future will honour your deeds
