You're Gone

Greyhounds

In my dreams
I see you
On your way
Walking on the road
That leads, away from me
And the sun is falling (falling)
Behind the mountain tops
I'm in the darkness
I realize that you aren't coming back to me
So, now you're gone (You're gone)
But I'll keep on, singing my song
Now you're gone (You're gone away)
But I'll keep on, singing my songI still feel your fire
Burning me to this day
I hear the echoes
Of your voice calling my name
But now my house is empty
And the skies are grey
I been so lonely (lonely)
as I sit here watching the falling rain
So, now you're gone, you're gone
But I'll keep on singing my song
Now you're gone (You're gone away)
But I'll keep on, singing my song
Now you're gone (You're gone)
But I'll keep on, singing my song...
