Take Me to Heart

Quarterflash

You won't forget my eyes
Ooh, deep inside you realize
You're gonna see me
Wherever you go
You're gonna hear me
On your radio
There you are
In your car
And suddenly
You hear me
Do you want me
Do you want meTake me to heart
I promise you a miracle
Take me to heart
You're gonna be mine
Take me to heart
You know it's just a matter of time
Whooo-oh-oooooh-ohI'm always on your mind
I'm the chill
That never left your spine
In the building
Where you live and breathe
I'm the sound
That never lets you sleep
Down the hall
Through the walls
You hear a voice that's calling
Do you want me
Do you want meTake me to heart
Don't deny the miracle
Take me to heart
What more can I say
Take me to heart
Surrender's just a motion away
Whooo-oh-oooooh-oooh[Instrumental Interlude]Do you want me
Do you want me
Do you want me
Do you want meTake me to heart
Don't deny the miracle

Take me to heart
What more can I say
Take me to heart
Oh, won't you take me to heart
Won't you take me to heart
Surrender's just a motion away
It's just a motion away
Your gonna take me to heart
Your gonna take me to heart
Why don't you take me
