

Yellow Mellow

Ocean Alley

She's been running riot
Causing such a scene
Shes been misbehaving
On her hollywood dream She put too much sugar on her cereal, this morning
Just to get her out of bed
i think ive got the answer,
lay you down with my mellow maramalade Yellow mellow, yellow mellow
Hello hello, yellow mellow
yellow mellow, yellow mellow
marmalade
Shes been acting crazy
like its snowing all the time
shes been running wild
wouldn't ask her to be my valentine She put too much sugar on her cereal, this morning
Just to get her out of bed
i think ive got the answer,
lay you down with my mellow maramalade
Yellow mellow, yellow mellow
Hello hello, yellow mellow
yellow mellow, yellow mellow
marmalade
