

# Broken Angel (Live Acoustic at The Fort Studios)

## Boyce Avenue

You showed him all the best of you  
But I'm afraid your best  
Wasn't good enough  
And know he never wanted you  
At least not the way  
You wanted yourself to be loved  
And you feel like you were a mistake  
Hes not worth all those tears that won't go away I wish you could see that  
Still you try to impress him  
But he never will listen Oh broken angel  
Were you sad when he crushed all your dreams  
Oh broken angel  
Inside your dying cause you cant believe And now you've grown up with this notion that you were to blame  
And you seem so strong sometimes  
But I know that you still feel the same  
As that little girl who shined like an angel  
Even after his lazy heart put you through hell I wish you could see that  
Still you try to impress him  
But he never will listen Oh broken angel  
Were you sad when he crushed all your dreams  
Oh broken angel  
Inside your dying cause you cant believe  
He would leave you alone  
And leave you so cold  
When you were his daughter  
But the blood in your veins  
As you carry his name  
Turns thinner than water  
Your just a broken angel And I promise that it's not your fault  
It was never your fault  
And I promise that it's not your fault  
It was never your fault
