Danko Jones

I love your black dress, your red lips, your long legs, your high heels
I love your thigh high boots and your snakeskin one piece suit
Yeah you really get me going when you put it all on
But I like it a little better when you take it all offBaby C'mon Put it all on
Baby C'mon now take it all offI love your leopard spot bikini and your black kangol
I love it when you hop out of bed and dance to the radio
Yeah you really get me going when you put it all on
But I like it a little better when you take it all offBaby C'mon put it all on
Baby C'mon now take it all off
Now watch me take it offI love the way you keep me moving every time your standing still
I love the look in your eyes when your licking your lips
Yeah you really get me going when you put it all on
But I like it a little better when you take it all offBaby C'mon put it all on
Baby C'mon take it all off
Repeat
