

Walk on the Wire

Sahara Hotnights

Sunday comes and my baby's not here
I make lonely weekend calls
I got to tell you something
A kid saying I won't be bad no more
Come on come on did you ever see my ghost before Who's gonna walk on the wire
Who's gonna walk on the wire
Stray cat you talk like a liar One wrong step on the side of the road
Don't save me when I start to fall
One part luck, 99 part genius
Thin like a paper wall Who's gonna walk on the wire
Who's gonna walk on the wire
I don't wanna be with no other
