

# I'm Drinkin' Tonight

## Train

I've been walking straight too long  
On a thin chalk line and fading, almost gone  
Feeling my shadow get close

Even if knows there's a hard raining coming onI'm drinking tonight, gonna give up the fight

The only thing stronger than you is whiskey

I'm, I'm letting you in, the ghost of my sin

And the taste of goodbye on your lips when you kiss me

'Til I can't take anymore, poison's the cureTo hell with your memory, gonna burn it down

I choke back tears 'til I damn near drown

What do you do with a man with dirt on his hands

And a deep hole dug in the groundI'm drinking tonight, gonna give up the fight

The only thing stronger than you is whiskey

I'm, I'm letting you in, the ghost of my sin

And the taste of goodbye on your lips when you kiss me

'Til I can't take anymore, poison's the cureI'm chasing my demons with a shot of Crown

Little more have their way 'til I see the light of day but tonightI'm drinking tonight, gonna give up the fight

The only thing stronger than you is whiskey

I'm, I'm letting you in, the ghost of my sin

And the taste of goodbye on your lips when you kiss me

I can't take anymore, I hope the poison's the cure

I can't take anymore, I hope the poison's the cure
