

# September In the Rain

**George Shearing & Michael Feinstein**

The leaves of brown  
Came tumblin' down, remember  
In September, in the rainThe sun went out  
Just like a dying ember  
That September in the rainTo every word of love  
I heard you whisper  
The raindrops seemed to play  
A sweet refrain  
Though spring is here  
To me it's still September  
Ooh, that September in the rainTo every word of love  
I heard you whisper  
The raindrops seemed to play  
A sweet refrain  
Though spring is here  
To me it's still September  
That September in the rain  
I said, that September in the rain
