Simple Man-Simple Woman

Circus Of Power

She ain't much of a lady but she's a helluva dame
You got a cat o' nine tails but you'll never tame
This kind of woman don't play by rules, no
This kind of woman don't deal with fools, no

Sing a song for the simple woman
Sing a song for 'em all
Sing a song for the simple man, yeah
Sing a song for us all

Now Billy Joe's got one eye dead
Old greasy jeans and a shovel head
Drink and a woman, everything he needs, yeah
Turn up the music and he's feelin' free, yeah, yeah, yeah

Sing a song for the simple man
Sing a song for us all
Sing a song for the simple woman
Sing a song for us all

Sing a song for the simple man
Sing a song for us all
Sing a song for the simple woman
Sing a song for them all
